The image features a large, bold, serif word "works" in a dark reddish-brown color. The letters are thick and have a slight drop shadow, giving them a three-dimensional appearance. The word is positioned in the center of the frame, with its bottom edge cut off by the bottom edge of the image. The background is a solid, light beige color.

A photograph of the Golden Gate Bridge at sunset. The bridge's iconic towers are visible on the right, with their signature red-orange hue. The cables of the suspension bridge fan out from the towers. The sky is a soft, warm orange and yellow, fading into a lighter blue at the top. The water below is calm, reflecting the colors of the sky.

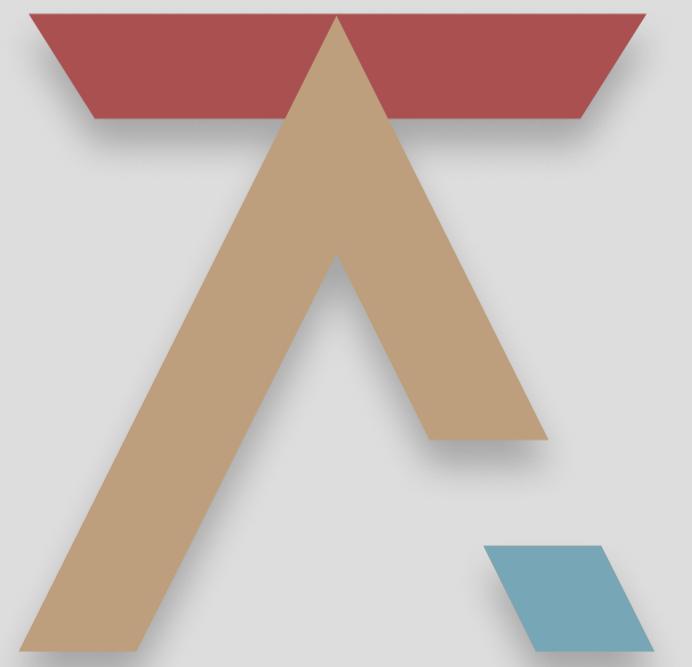

The image consists of two main parts. On the left is a large, solid red vertical rectangle. To its right is a black and white photograph of the Golden Gate Bridge in San Francisco. The bridge's iconic towers and suspension cables are visible against a clear sky. In the foreground, there are two dark, rounded shapes that appear to be small hills or rocks. The overall composition is a split-page design.

A wide-angle photograph of the Golden Gate Bridge at sunset. The bridge's iconic red towers stand tall against a sky filled with warm, orange and yellow hues. The water in the foreground is calm, reflecting the colors of the sky. In the background, the city of San Francisco is visible across the bay. The image is framed by a dark blue vertical bar on the left and a light orange vertical bar on the right.
